CC Docket No 02-6

Request for Waiver

This is a request to waive the FCC filing window deadline on Form 471. We are small school district in Northwest Kansas. During Christmas break our network server went down which stopped Internet service. We are 100 miles from the closest retailer that could repair the server and get us back online. We were unable to file our Form 470 until we were back online. The first date that I can file my Form 471 is February 17, 2004, which is past the filing date. E-rate has been very important to our school district. For these reasons I am requesting to waive the FCC filing window deadline on Form 471. Thank You.
